Discover the Art of Living in the Heart of Town

Do you know which area of Karachi is the most uniquely planned? Where all thoroughfares and service roads are designed in such a way that they allow movement of large volume of traffic without any interruption? Almost all roads are broad and running along them are parallel service roads that are also wide due to which in case of emergency or accident no traffic clogging is witnessed?

Yes, it is North Nazimabad. It is ranked as the most-planned and developed town of Karachi. North Nazimabad enjoys the unique reputation of being the most literate residential area of the city. Block B is the VIP Block of North Nazimabad, most sought-after for peaceful living. An ultra-modern area with most modern civic facilities.

Times Residency is located right in the heart of the town, at the most prime location in Block B of North Nazimabad. Hyderi is no doubt has become a focal point for the discerning shoppers of this mega city. Just think about living amidst the best amenities of life. It is the most convenient, admirable and enviable location. Make it your prestigious address.
